Coming to the Arctic: Oil, Ships and UNCLOS Plus

Risk and Research.....321

George B. Newton

Concluding Remarks

John Norton Moore339

ST. PETERSBURG PAPERS

International Energy Policy, the Arctic and the Law of the Sea is part of a series of publications on oceans law and policy associated with the Center for Oceans Law and Policy, University of Virginia School of Law. This volume is based on presentations made at the Center's Twenty-Eighth Annual Conference co-hosted with the Russian Academy of Liberal Arts Education and the Russian Law of the Sea Association in St. Petersburg, Russia, June 23-26, 2004.
